20 YOUR TYPE R

Evolution of an icon

Type R – a name inexorably linked with racing, quickly gained a legendary reputation when it was originally unleashed into the world.

Born from our unrelenting desire to redefine true sports performance and complete driving enjoyment, it has become a true icon.

Welcome to the next generation.

THE VISCERAL

// 05.

2.0 TURBO 320 ps

FK8 / 2017 - 2022

High-performance pedigree

The new Type R is the fastest yet, powered by a potent 2 litre, VTEC turbo-charged engine that generates 329 PS and peak torque of 420Nm. Every component is refined and perfected to achieve maximum agility and performance.

It may be uncompromisingly powerful, but it's also unquestionably responsive, providing you with a driving experience you can truly feel, thanks to its precise 6-speed manual transmission and 4 selectable driving modes. These change the engine, steering and suspension set-ups to suit the driving experience you require: from Comfort, Sport, to track-focused +R and Individual, which allows you to customise your favourite settings.

**275KM/H
TOP SPEED***

The balance of **power**

A driving experience born from race-bred technology and honed on tracks around the world, the new Type R is engineered for a dynamic and perfectly balanced drive.

Handling is sharp and decisive, thanks to its ultra-low centre of gravity, sports suspension and stiffened body structure. All of which provide the driver with high-speed stability, agile direction changes, and a unique feeling of involvement and exhilaration.

**DUAL-AXIS STRUT

**RACING-INSPIRED
STIFFENED BODY SHELL**

Styled for speed

From its racing-inspired front air vents, which maximise engine and brake cooling, to its lightweight rear spoiler that boosts down-force at high speeds, there can be no doubting the new Type R's intent.

Its sleek and muscular body sits on dramatic, wide, low-profile tyres. Every part is measured and focused, specifically designed to optimise the vehicle's dynamics.

Model shown is the Honda Civic Type R in Championship White. For information on all features available, refer to the specification pages 32-34.

Immersive cabin experience

Settle into the sculpted, figure-hugging racing seats and take in the harmonious and uncluttered interior. Everything has been designed to ensure you are totally immersed in the driving experience, controls are thoughtfully arranged, intuitively positioned and beautifully made.

You are surrounded by high levels of finish and exceptional attention to detail, from its distinctive honeycomb dashboard design and tactile gear knob to its sports pedals. The Type R's performance-focused cockpit is complemented by a large boot with up to 1,212 litres' capacity.

Enhance the experience

The ability to access data clearly and quickly is vital. That's why the new Type R's 10.2" digital multi-information display tells you precisely what you need to know, when you need to know it. A clever Honda LogR performance datalogger further enhances your driving experience, by monitoring and recording on-track performance and providing in-depth analysis on the centrally mounted, 9" Honda CONNECT infotainment screen.

When you are not listening to the soundtrack of the engine, you can enjoy your own playlists thanks to the Android Auto and Apple CarPlay smartphone integration with playback over eight speakers. Naturally, wireless phone charging is fitted as standard and able to accommodate the largest of devices.

**LogR PERFORMANCE

**WIRELESS
CHARGING**

Safety at speed

Your safety and the safety of your passengers is always our priority, which is why the Type R is fitted with a host of passive and active safety features, including our latest Honda SENSING system: a suite of advanced technologies that react to situations with lightning speed and offer intelligent support when required.

When you also consider the Type R comes with a Rear-view Camera, Traffic Sign Recognition System and Lane Keeping Assist System, it's good to know all these features are there for your safety and convenience.

**ROAD DEPARTURE
MITIGATION SYSTEM**

**ADAPTIVE
CRUISE CONTROL**

Little details, **big** difference

Even though the new Type R has been created for outright performance, it doesn't mean you have to compromise on the things that make every journey a little more comfortable. After all, we believe you can only fully enjoy the driving experience when you are feeling calm and composed. That's why we have included features like dual-zone air conditioning – little details that will make a big difference every day.

**STAINLESS STEEL
SPORTS PEDALS**

**TINTED PRIVACY
GLASS**

Your Type R

The new **Type R** comes fully equipped with a range of advanced features to enhance your driving experience:

- Auto Headlights
- Auto Wipers
- Blind Spot Information
- Bluetooth™ Hands-free Telephone
- Dual-zone Auto Air Conditioning
- eCall
- Eight Speakers
- Electric Windows (Front and Rear)
- Four Driving Modes
- High Beam Support System
- Front and Rear Parking Sensors
- Heated Door Mirrors
- Honda CONNECT with Navigation, 9" Touchscreen, AM / FM / DAB, Apple CarPlay® and Android Auto™
- Honda SENSING
- 19" Matt Black Alloy Wheels
- 10.2" Multi Info Display
- LED Lights
- Privacy Glass
- Red Upholstery Front Seats
- Rear-view Camera
- Smart Entry and Start
- Sports Stainless Steel Pedals
- Sunvisor Vanity Mirrors with Illumination
- Tonneau Cover
- Triple Exhaust
- Wireless Charging

Pick your winning colour

Express your personality and choose from our range of colours that complement the Type R's dynamic styling perfectly, such as Championship White and Rallye Red.

Carbon Pack

The Carbon Pack offers everything a true connoisseur needs. The pack consists of the Carbon Wing Spoiler, Carbon Centre Console Panel and the Carbon Door Sill Trims.

CARBON WING SPOILER

With this top-of-the-line Carbon Wing Spoiler, you can really personalise and amplify the aesthetic of your car. The spoiler is hand-made out of carbon fibre and features a red accent. This spoiler is a must-have feature for your Type R.

CARBON DOOR SILL TRIMS

The Door Sill Trims are manufactured out of hand-made carbon and are detailed with the Type R logo, features that are bound to make a lasting impression when you open the door of your Type R.

CARBON CENTRE CONSOLE PANEL

Style and extreme sport come together in the 'cockpit' of your car with the Carbon Centre Console Panel. This hand-made carbon accent on the centre console of your car gives it that bit of extra dash.

Illumination Pack

This Illumination Pack combines interior and exterior illumination items. The pack includes: Front Foot and Under Seat Lights, Door Lining Illuminations, a Cup Holder and Console Illumination to create an ambient atmosphere inside your car. Along with the Illuminated Type R Pattern Projector, these items provide greater visibility in and around your car.

FRONT FOOT AND UNDER SEAT LIGHTS

When unlocking the doors, the area under the seat and the complete front footwell are illuminated with a sporty red light. When driving with the headlights on, the light output is dimmed by 50% to avoid distraction. When the headlights are off, the illumination lights are switched off as well.

CUP HOLDER AND CONSOLE ILLUMINATION

By turning on the ignition and headlights, the bottom of the cup holders and the storage box in the centre console become illuminated, bringing a sporty red ambient atmosphere to the interior of your car.

ILLUMINATED TYPE R PATTERN PROJECTOR

The Type R pattern is projected on the ground with a bright white and red glow when opening the front doors, creating more visibility in the dark when getting in and out of your car.

DOOR LINING ILLUMINATIONS

When turning on the ignition, the door lining becomes illuminated. The Red Door Lining Illuminations are fitted to the front door handles and door pockets, and emit a sporty red light.

Interior & comfort

Enhance your driving experience with these interior and comfort accessories, creating a Type R tailored stylishly to your needs.

1. Elegance Floor Mats

These elegant and comfortable fitted tufted carpets, with a red nubuck binding, have a metal Type R emblem for durability. The kit includes: front and rear mats.

2. Sunshades

Stay cool and in the shade with these Sunshades. They provide sun protection for rear passengers and are easy to mount and remove.

The kit includes: two blinds and a complimentary carry bag.

Protection from the elements

Body Cover

Keep your vehicle looking immaculate with this Body Cover made from triple-layered, water-resistant yet breathable materials, offering maximum protection from the elements.

It includes a soft inner fleece lining to protect the finish of your car, features the Type R logo and is suitable for indoor and outdoor use.

The Body Cover fits both the standard and the Carbon Wing Spoiler.

Efter sista redigering av broschyren kan produkter eller tjänster ha ändrats. Honda förbehåller sig rätten att ändra sina specifikationer, inklusive färger, med eller utan förvarning och vid den tidpunkt och på det sätt som de tycker passar. Stora såväl som små förändringar kan vara involverade. Alla ansträngningar görs dock för att säkerställa att uppgifterna är korrekta i denna broschyr. Denna publikation ska inte under några som helst omständigheter utgöra ett erbjudande från företaget till någon person. All försäljning görs av vederbörande distributör eller återförsäljare i enlighet med de standardmässiga försäljningsvillkoren och garantin som ges av distributören eller återförsäljaren. Kopior av dessa kan erhållas från dem på begäran. Alla ansträngningar görs för att säkerställa riktigheten i specifikationerna, men eftersom broschyrer iordningställs och trycks flera månader före distribution kan följaktligen ändringar i specifikationen, eller i enstaka fall en viss funktion, inte alltid omedelbart återspeglas. Kunder rekommenderas alltid att kontrollera specifikationsdetaljer med den levererande återförsäljaren, speciellt om valet av modell är beroende av någon av de funktioner som annonseras.
